

Anjaane anjaane anjaane anjaane  
Yeh rishtey yeh rishtey  
Anjaane anjaane anjaane anjaane  
Anjaane anjaane  
Kis kadar kis kadar chahate  
Hai hum tumko sanam  
Kya bataye tumko kya bataye tumko  
Kya se kya zindagi ho gayi sanam  
Kya bataye tumko kya bataye tumko  
Kis kadar chahate hai  
Hum tumko sanam  
Kya bataye tumko kya bataye tumko

Anjaane anjaane anjaane anjaane  
Anjaane anjaane anjaane  
Kya hota hai pyar ye hamne  
Tumse milkar jana  
Tum bin jina namumkin  
Yaarhum ne yeh mana  
Kya hota hai pyar ye hamne  
Tumse milkar jana  
Tum bin jina namumkin

Yaar hum ne yeh mana  
Kyu teri deewanghi mein  
Aise khoye hum  
Kya bataye tumko kya bataye tumko  
Anjaane anjaane anjaane  
Anjaane anjaane anjaane

Hum tadpe bachain huye  
Jab yaad tumari aayi  
Sadiyo jaisi laghti hai  
Ek pal ki bhi judai  
Hum tadpe bachain huye  
Jab yaad tumari aai  
Sadiyo jaisi laghti hai  
Ek pal ki bhi judai  
Kyu tere pahelu mein rahena  
Kyu tere pahelu mein rahena
