

Anjanadri Song Lyrics

Anjanadri azhagiya malaiyil
Iravu pagalaaga kadum thavam seidhu
Vaanara kesari kesari manaivi thaayum aaginaal

Vaayuvin maganaai pirandhaane
Ashtasiththiyai adaindhaane
Anjanaavin pudhalvan hanuman paaradaa

Kalai vidindha udan pasiyum eduththadhe
Sooriyan kaniyaaai kannil therindhadhe
Adadaa adhaiyum rusiththida
Hanuman arugil nerunginaan

Boomiyum adhanaal irulaaga
Ulagam bayandhadhe vaa vaa

Ada idhai udane
Indiran kandu
Iravadham adhil yeri sendri
Aanjaneyanai thaakkinaare vajraayudham visiriye

Indha sandaiyil vaayuvin bagavaan
Sindhiya raththam chinnathaai
Boomiyai nokki seeri paaindhu
Vanga kadalike veezha

Vanga kadalini adi aazham sendru
Sirpi koottil ada thanjam kondu
Kalam pala kalam kadandhadhu inge
Hanuman ruthra maniyaanaadhange
Thagudhiyaana nalla manidharukkaaga

Kaaththirukku adhu kodi yugam
Kaiserndhaal nooru varam
