

Yeh kaisi roshani, yeh kaisa jahaan hai
Jameen pe main nahi, na yeh aasmaan hai
Dil yuun hi bewajah kyun dhadkane laga
Haay machalane laga kya huwa

Kya huwa, huwa, huwa, huwa wa wa wa....

Saari duniya deewaani hai main kya karun
Badi jaalim jawaani hai main kya karun
Saari duniya deewaani hai main kya karun
Badi jaalim jawaani hai main kya karun
Koyi kahe dil main haara,

Koyi kahe main hoon tumhaara
Laila hai akeli haay majanu hajaar
Akhiya na maar tauba akhiya na maar
Akhiya na maar dil pe hoga sidha vaar
Akhiya na maar tauba akhiya na maar
Akhiya na maar dil pe hoga sidha vaar
Baby lets have the dance and romance
Let' s give it give it a chance le le jine ka maja

Nashe ki raat hai maja aa raha hai
Maje ki raat hai nasha chha raha hai
Nashe ki raat hai maja aa raha hai
Maje ki raat hai nasha chha raha hai
Kal ki kisako khabar aaj manmaani kar
Kyun rahe dil mein betaabiyaan
Akhiya na maar tauba akhiya na maar
Akhiya na maar dil pe hoga sidha vaar
Akhiya na maar tauba akhiya na maar
Akhiya na maar dil pe hoga sidha vaar
Baby lets have the dance and romance
Let' s give it give it a chance le le jine ka maja

Jise main dekh loon o mera huwa hai
Na din na raat hai yuun khoya huwa hai
Jise main dekh loon o mera huwa hai
Na din na raat hai yuun khoya huwa hai
Saari duniya se woh ho gaya bekhabar

Mere jalawon mein hai woh asar
Akhiya na maar tauba akhiya na maar
Akhiya na maar dil pe hoga sidha vaar
Akhiya na maar tauba akhiya na maar
Akhiya na maar dil pe hoga sidha vaar
Baby lets have the dance and romance
Let' s give it give it a chance le le jine ka maja.
