

It's easy to say you love me  
Harder to mean it  
It's harder to be humble  
Easier to be conceited.

What happened to being decent?  
And thinking before you speaking?  
Listen...

Let's go  
Ankhiyaan ne ankhiyaan nu  
Rabb jaane kyun diye faasle  
Ankhiyaan ne ankhiyaan nu  
Rabb jaane kyun diye faasle,  
The lord knows

Ankhiyaan ne ankhiyaan nu  
Rabb jaane kyun diye faasle  
Only the god knows.

Akhiyan ne akhiyan nu  
Rabb jaane kyun diye faasle.

BHARAT  
lyrics

It's easy to say you love me  
Harder to really mean it  
Easy to say you want something  
Harder to try and keep it.

It's easy to tell me  
That i'm so easy to forget  
It's harder to wipe the memories of us  
Inside your head  
It's easy to say you've changed  
When you clearly haven't  
It's harder to learn from all your mistakes  
Before they happen.

It's easy to blame me  
Easy to point my flaws out  
Harder to look at yourself and admit  
When you've been caught out

Who are you to judge?

Like you ain't ever made mistakes  
Like you ain't ever wanted to go back in time  
And a change a thing...

You look for granted what was given...  
Now you're ....  
Struggling to make that decision  
So let me make it easy for you  
The hardest thng i've done  
Is promise you a future  
When i know i'm not the one i know you felt that pain  
Like i shot you with a gun so...  
Strangers is what we must become..go

Ankhiyaan ne ankhiyaan nu  
Rabb jaane kyun diye faasle  
The lord knows

Ankhiyaan ne ankhiyaan nu  
Rabb jaane kyun diye faasle  
Only the lord knows,

Ankhiyaan ne ankhiyaan nu  
Rabb jaane kyun diye faasle  
The lord knows.

It's easy to break her heart  
Harder to fix it  
Maybe it's impossible  
And it's hard to admit it.

It's easy to start at the beginning...  
And fall so deep  
That you can't function without her  
Like a piece of your heart is missing.

It's hard to break free  
Out of the bars of this prison  
No-one ever gets back

Bharatlyrics.com

What they're charged for admission.

And now your friends want to get involved  
And they don't listen when you tell them no.

Angel, when we fight it's like the devil though  
If you love her you should let her go...

How we took for granted what was given  
Now you're...

Struggling to make that decision  
So let me make it easy for you  
The hardest thing i've done  
Is promise you a future  
When i know you're not the one.

I know you felt that pain  
Like i shot you with a gun...so...  
Strangers is what we must become ...go  
Ankhiyaan ne ankhiyaan nu  
Rabb jaane kyun diye faasle  
The lord knows  
Ankhiyaan ne ankhiyaan nu  
Rabb jaane kyun diye faasle  
Only the lord knows.
