

Abhi bachapana abhi ladkapan
Aur nadan umjariya
Gaure badan ko chhu na jaye
Kali teri nazariya
We ankhiya na mar mundiya
Meri jaan nikalti nikalti nikalti jaye
We ankhiya na mar mundiya
Abhi bachapana abhi ladkapan
Aur nadan umjariya
Gaure badan ko chhu na jaye
Kali teri nazariya
We ankhiya na mar mundiya
Meri jaan nikalti nikalti nikalti jaye
We ankhiya na mar mundiya

Mani ek kiran hoon chalti hoon pawan hoon
Dil ki chubhan hoon sun lo
Aisi lagan hoon jalti agan hoon
Leti jeevan hoon cun lo
Kaise ankh ki saudebaji mein
Kayiyo ne baji hari
Din ka chain luta baithe aur rate
Ho gayi bhari
Is duniya mein jis jis ko bhi
Ankh kisi ko mari
Koi diwana koi pagal koi bana bikhari
We ankhiya na mar mundiya
Meri jaan nikalti nikalti nikalti jaye
We ankhiya na mar mundiya

Tere sine pe apne dard ka paigam rakh su
Teri dhadkan tere arman sara aam rakh doom
Tere agaj se pahle
Tera anzam rakh du
Main tera chaur daku aur luterana nam rakh doom
Dhan ke lobhi hawas ke bukhe
Denge kabhi na sath re
Sunle kan lagake mere
Lakh pate ki bat re
Na koi inka dharam karam

Hai na koi jaat re
Jin jin pe ye hath fer
De wo malte rahe hath re
We ankhiya na mar mundiya
Meri jaan nikalti nikalti nikalti jaye
