

Anna Antene Lyrics

Chinnataname emaipoye
Nannu vadile needhe cheye
Anthaa kala lage karige
Katha kadalaka aage
Andamaina goode chedire

Kastamocchina inko vaipe
Kanti reppala kaase kaape
Konni gurthulevo migile
Vidhi erugadhoo jaale
Chinna gunde naade pagile

Anna antene unnaanantoone
Chinnodi kosam nilabaduthave
Anna antheney unnaanantoone
Chinnodi kosam kalabadutave

Chinnataname emaipoye
Nannu vadile needhe cheye
Anthaa kala lage karige
Katha kadalaka aage
Andamaina goode cherige

Nishabdame veedenugaaa
Innelluga vechina vekuva
Veluge vadivadiga ithuu nadichena
