Bass milje aujla kehndi aa
Jad uthdi aa jad behni aa
Tere supne supne ee rehne ni
Akhan khulliyān supne laini ae

Makhan mittran de mech da ni koi
Thalle mere lv te utte lainde loi marjaniye
Fer na kahi tu madi hoi
Mittran de pyaar di dawa ae ni pyaar di dawa ae

Kinne din hoge nai soyi
Chain firre labdi te neend firre khoyi
Marjaniye fer na kahi tu madi hoi
Mittran de pyaar di dawa ae ni pyaar di dawa ae

Nitt ghatt da ghatda aakhu ga
Dil akhu bhajj ja kothiyan chon
Mai dasdan hanju nai rukne
Ehna akhiyan motiyan mottiyan chon

Hun waddiyan gallan mardi ae
Fer pyaar labben gi chotiyan chon
Meri yaad te kamba ain chidna
Nigg auno hatt jyu kotiyan cho

Sade kade vi koi nede ni khaloyi
Puchi tere naldi puchi cigi royi marjaniye
Fer na kahi tu madi hoi
Mittran de pyaar di dawa ae ni pyaar di dawa ae

Kinne din hoge nai soyi
Chain firre labdi te neend firre khoyi
Marjaniye fer na kahi tu madi hoi
Mittran de pyaar di dawa ae ni pyaar di dawa ae

Kinne din hoge nai soyi
Chain firre labdi te neend firre khoyi marjaniye
Fer na kahi tu madi hoi
Mittran de pyaar di dawa ae ni pyaar di dawa ae

Tu jad dekhengi akhiyan nu
Tainu chdiyan chdiyan lagan giyan
Oda sikher dupehra charda hou
Tere naino jhadiyan lagan giyan

Tainu tarjan moh ni lain giyan
Gallan khariyan khariyan lagan giyan
Tainu meriyan lina likhiyan ni

Jive di kari tu arzoi
Mittran do or die kamm do ee marjaniye
