

Apanee toh har aah ek tufan hain
Apanee toh har aah ek tufan hain
Kya kare woh jan kar anajan hain
Uparwala jan kar anajan hain
Apanee toh har aah ek tufan hain

Abb toh haske apanee bhee kismat ko chamaka de
Kaano me kuchh keh de, jo iss dil ko bahala de
Yeh bhee mushkil hain, toh kya aasan hai
Uparwala jan kar anajan hain
Apanee toh har aah ek tufan hain

Sar pe mere too jo apna hath hee rakh de
Phir toh bhatake rahee ko mil jayenge raste
Dil kee bastee bin tere wiran hai
Uparwala jan kar anajan hain
Apanee toh har aah ek tufan hain

Dil toh hai isane shayad bhul bhee kee hai
Jindagee hai bhulakar hee rah milatee hai
Maf kar banda bhee ek insan hai
Uparwala jan kar anajan hain
Apanee toh har aah ek tufan hain
Apanee toh har aah ek tufan hain
Kya kare woh jan kar anajan hain
Uparwala jan kar anajan hain
Apanee toh har aah ek tufan hain.
