

## Arere Idenidu Song Lyrics

---

Aaa... Aaa...

Hooo... Aaa...

Aaa... Hmm... Aaa...

Arere idenidu sdagara

Thilisu nee kaaranavaa

Arere ee preethiya agochara

Kanasu niratharavaa

Nanagae... Neene saaku

Bere enu beku...

Arere edenidu sadagar wooh

Khali manada putadali sundara

Kavithe geechide

Modala baari maathanu kelede

Manasu jaaride

Saddillade shuruvaagide

Ee premadaa nasheyu

Muddagide savi thallana

Innethako kushiyu

Mussanje thampalli

Payana saagali

Olave namma baduku...

Adaku... Idaku... Edaku...

Arere edenidu sadagar wooh

Romaanchana romaanchana

Ee tholali neeniddare

Chumbana aalingana thanana

Nanagae... Neene saaku

Bere enu beku...

Arere edenidu sadagar wooh.

Aaa... Aaa...

Hooo... Aaa...

Aaa... Hmm... Aaa...
