

Sun is ki garima
Is ki madhima
Dharti gagan sabh kaanpe
Srishti yeh poori chaand aur
Suraj is ki dhun pe hi naache
Ori sun le ori sun le
Ye yantrik maanav
Sab se uncha

Arima arima
Mein oon lakho simha
Tujhsi hirani dhikhe
Toh na jaane thum na

Heesa ki lohe ka dil
Subho shaam kaahe jale

Mein atlantic mein
Doobha jaake
Agni par na bhuje
Honthon se shabnam chidkho
Agni ko thanda kardo
Mujhse sajake zulf bicha
Ke ishq ki dawat do

Arima arima arima arima
Mein oon lakho simha
Tujhsi hirani dhikhe
Toh na jaane thum na

Sun is ki garima
Is ki madhima
Dharti gagan sabh kaanpe
Srishti yeh poori chaand
Aur suraj is ki
Dhun pe hi naache
Ori sun le ori sun le
Ye yantrik maanav
Sab se uncha

Lohe ki raago mein

lyrics

Bijli ki nasso mein
Preeti ki jyoti kyun jale

Zaalim nava pyaar dulara sa
Saajan ho dil yeh kahe
Saajan ho dil yeh kahe

Na manush mein hoon
Pursho ka raja hoon
Kamatur yantar hoon
Seedhay jo dil japhte
Aisa silicon shape hoon mein

Yantara

Arima arima
Mein hoon lakho simha
Tujhsi hirani dhikhe
Toh na jaane thum na

Sun is ki garima is ki madhima
Dharti gagan sabh kaanpe
Srishti yeh poori chaand
Aur suraj is ki dhun pe hi naache

Badal mein bijli rangeen titli
Kahe ke yeh ja na paaoge

Taar yeh baaje
Armaan hai jaage
Robo ko go go na kaho

Jaao ji jaao jhoothi
Kyun baat banaun
Humko na aise lubhao
Tum toh ho bus kathputali
Putlon se na dil laage

Sun is ki garima
Is ki madhima
Dharti gagan sabh kaanpe

Srishti yeh poori chaand
Aur suraj is ki
Dhun pe hi naache
Ori sun le ori sun le
Ye yantrik maanav
Sab se uncha

Arima arima
Mein hoon lakho simha
Tujhsi hirani dhikhe
