

Arimugam Illaiya Song Lyrics

Arimugam illaiya kovam kaari nee
Aanathu aachima naan kaathurikkirane
Kadhala solluma sirichi kolluma
Thalaimudi kothuma naan kenji kekkurene

Kannana kanne unnai nenjoram thoonga vaippen
Thaalattu paadum unthan annai pole
Kannodu kannai korthu mookodu mookkai urasi
Idhazhai un kadhal vaithu kadhal solven

Arimugam illaiya kovam kaari nee
Aanathu aachima naan kaathurikkirane
Kadhala solluma sirichi kolluma
Thalaimudi kothuma naan kenji kekkurene

Udal illa kadhal yengu
Mullum illa roja yengu
Kaathurukkum neramellam thevai illai

Naan vaazhum indha vazhkai ingu
Unnudan sernthu vaazha thaane
Penne nee kaanum kanavai kooradi kanmaniye

Vaa paavai ezhuthunai nutpadal
Unakkena naan nee siricha podhum
Nee kedi vaadi en raasathi en uyire

Arimugam illai kovam kaaridi nee
Seri aanathu aachu
Naan romba sincere-ah wait pandren

Kadhala solluma sirichi kolluma
Thalaimudi kothuma naan kenji kekkurene

Kannana kanne unnai nenjoram thoonga vaippen
Thaalattu paadum unthan annai pole
Kannodu kannai korthu mookodu mookkai urasi
Idhazhai un kadhal vaithu kadhal solven

Chinna chinna aththu meeral iruntha
Paavam ennadi penne
