

Armadham Lyrics

Oru salputhran piranneda pandu
 Mahaa adhyaayam thudakkamaayannu
 Idhu dhikkettum muzhangidum paattu
 Kodum santhosha pirandha naal vaazhthu

Sneham vannaal madhura thenu
 Veenjaayi thoovum andhi chaaru
 Kopam kondaal akame nonthaal
 Veraarum vendini villanmaaru

Aaha armadham
 Aarppum armadham
 Aarthu ponthatte
 Aaghosha prakambanam

Aaha armadham
 Aarppum armadham
 Aarthu ponthatte
 Aaghosha prakambanam

Eriyatte thirikal
 Urukatte mezhuku
 Valaratte vayasu
 Enni thalaru

Podi thattaa mukhame
 Iru kannin azhake
