

Are de de de de de de zara
Hamein de de zara manjuri
De de de de de de zara
Saath rehane ki tu manjuri
Tere liye hum hai jaruri
Hamaare liye tu hai jaruri
Tere liye hum hai jaruri
Hamaare liye tu hai jaruri
Bin tere hum hai adhure
In tere hum hai adhure
Oy hum bin tu hai adhuri
Are de de de de de de
Hamein de de zara manjuri
Teri toh har shart karenge hum puri

Paas tere woh cheej hai
Jo bhi dekhe o deewaana
Rang bhi sundat ang bhi sundar
Sundarata ka khajaana
Tu hai sundarata ka khajaana
Roop tijori saup de humko
Kar lega koyi chori gori
Kar lega koyi chori
Siwa hamaare sab logo ki ek
Yahin kamjori gori ek yahin kamjori
Are keh de keh de keh de zara
Teri abb kya hai majburi
Tere liye hum hai jaruri
Hamaare liye tu hai jaruri
Bin tere hum hai adhure

Hum bin tu hai adhuri
De de de de de de
Hamein de de zara manjuri
Teri toh har shart karenge hum puri

Tere haathon mein woh jaadu
Teri woh hasti hai
Tino duniya dekar tu
Agar mil jaaye sasti hai

Gar mil jaaye sasti hai
Tera har ghum baatenge hum
Hissedaar banaale
Humko hissedaar banaale
Humko apna yaar nahi
Toh peharedaar banaale
Apana peharedaar banaale
Are kar de kar de kar de
Tera har sapana hum sinduri
Tere liye hum hai jaruri
Hamaare liye tu hai jaruri
Bin tere hum hai adhure
Hum bin tu hai adhuri
Are de de de de de
Hamein de de zara manjuri
Teri toh har shart karenge hum puri.
