

Saath hai hum toh  
Par dil kyun saath nehi  
Biktii hai duniyaa yahaan  
Par khushiya milti nehi

Haan haan.....

Saath hai hum toh  
Par dil kyun saath nehi  
Biktii hai duniyaa yahaan  
Par khushiya milti nehi

Mushkuraana pare mujhko  
Par dil mera roo rahaa  
Kaise kar du bayaan iss pal ko

Ashq aankho se hai behe chala

Ashq aankho se hai behe chala  
Ashq aankho se hai behe chala  
Ashq aankho se hai behe chala  
Ashq aankho se hai behe chala

Haan haan.....

Sunaa lage aab sara jahaan  
Tu jo paas nehi  
Khaali hai dil tha ye aashiyaa  
Kar de puri kami

Sunaa lage aab sara jahaan  
Tu jo paas nehi  
Khaali hai dil tha ye aashiyaa  
Kar de puri kami

Tanhaayi bhari ye zindegi  
Kyun phaasle darmiyaan  
Hu barqat se meherum kyun main  
Kyun rutha hai mera khudaa

Kyun rutha hai mera khudaa

Kyun rutha hai mera khudaa  
Kyun rutha hai mera khudaa  
Kyun rutha hai mera khudaa

Hum hum.....  
Haan haan.....

Ashq aankho se hai behe chala.
