---

Asku maaro aska maaro  
Ultimate-u namma pair-o  
Look-u vitta world-u war-o  
Thoontil podum kutty sparrow

Unnala unnala ellame unnala  
Ok nu sonnaale getha ven thannaala  
Kannaala kannaala ava katti kannaala  
360 segree la non stopasenchale

Unnapol aala naan paathathilla yaarum  
Paaaththadha solliyum kettathilla  
Heart-u than poguthu school-u kulla  
Love syllabusa nee solla

Mellamaa vanthana miss world-u  
Konjam vegamaa vanthana miss gold-u  
Sollu solla en nenjukulla  
High volt-u current-u

Asku maaro aska maaro  
Ultimate-u namma pair-o  
Look-u vitta world-u war-o
