

Thanda kuch nahi sab garam hi garam hai
Angaar hai, angaar hai
2 by 4, 2 se 4 hai
O ho...

Ab karo d-cypher bhai!
Old school, old school wala flow

Khada hoon kaise main yahan pe
Ab na puchna, dard shayri mein
Tujhko chahiye saboot kya
Shikhar yeh soch par
Juda hoon main zameen se

Yaqeen tumko na par aage aaya main yakeen se

Laakh nafratein hon saath maa ka pyaar hai
Hansi hai uski jeet meri kaise jaau haar main
Kaat lo zubaan aansuon se gaaunga
Gaad do, beej hoon main ped ban hi jaunga
Aaho

Dil tha toota tab hip-hop mere saath tha
Ujaale milne mein mujhe
Haan raat ka hi haath tha
Kalakaar main, kal ko aakar doon
Yehi hai mera dharm
Meri dusri koi jaat na
Maa hai rabb meri
Gali yeh meri mashooqa
Ladka aida main, jhukane par bhi na jhuka
Sun rahe jo mujhko beshumaar pyaar unse
Banata geet main
Par main khud bana hoon tumse
Gaur karlo meri baaton pe tum dhyan do
Naino ko main namm karun
Sukoon main deta kaan ko

Chilaaao zor se uthao apne haath tum
Asli hip-hop se milayein hindustan ko
Hindustan ko, haan ji hindustan ko

Asli hip-hop se milayein hindustan ko
Hindustan ko, haan ji hindustan ko
Asli hip-hop se milayein hindustan ko, kya!

Apna time aayega!
