Ho skda ke mila pind walk karda  
Ya fer bentley ch mila on road balliye

Na othe pendi contractan di lorh balliye  
Pendi contractan di lorh balliye  
Asi bol jithe jattiye jubaan nal kare

Sadi jutti gall kare tere nakhre de naal  
Sadi taur gall kude asmaan naal kare  
Taur gall kude asmaan naal kare  
Sadi jutti gall kare tere nakhre de naal

Khoon raggan ch punjab da cali di rakaan ae  
Pathar te leek jatta jatti di zubaan ae  
Marzi karan main dunia di care kithe ae  
Othe othe mila mere paer jithe jithe ae

Ho charhi ae jawani meri end karwaon nu  
Munde marhkan naal maarne asool samjhan  
Meri akh gall kare tere wargeyan de naal  
Bol muh vichon bolne fizool samjhan  
Muh vichon bolne fizool samjhan

Jahazan vich paer ne te touran utte tour ne  
Rehmatan tan bahutian ne egoan ton door ne  
Markus stallion long coat fabbde ne  
Billo sadi taur utte roz note lagde ne

Main jinna di aukaat changi tarah jaanda  
Jinna di aukaat changi tarah jaanda  
Munda ohna naal jaan pehchaan na kare

Sadi taur gall kude asmaan naal kare  
Taur gall kude asmaan naal kare

Sadi jutti gall kare tere nakhre de naal

Ve kinneyan de dilan nu pairan ch litaarh da  
Addi thalle aajave je pahuncha salwar da  
Tere jahe pattne te khed adhe mint di  
Seeneyan nu cheer janda nakhra ve naar da

Kiven lekhan ch likhale ga ve hoor noori wargi  
Eda ki main tenu sardool samjhan  
Meri akh gall kare tere wargeyan de naal  
Bol muh vichon bolne fizool samjhan

Kaali beast minister ghummdi rakaane  
Je london ch hoiye me fer hunne aa  
Ho saanu kithe pavaade akhan teriyan
