Aththaan aththaan
Aththaan aththaan

Enna nu solla da
Wife naale tholla da
Naaa enna nu solla da
Life kaiyil illa da

Ho ho ho aasaiya matuna
Rendu kaalil metti dha
Dho inga paavama nikkuren
Pooda vechaa mutti dha

Getti melam satham kekudhe
Saavu moalama
Suthu pottu kaavu vangudhe
Raavu kaalama

Getti melam satham kekudhe
Saavu moalama
Saavu molam ring uh
Tone tone tone tone tone uh

Munna match uh poyi
Jaichen naanu cup-uh
Moonu knot uh pottu
