

O sohniye, keh doon tujhe
Ke tu hai pretty pretty pretty
O sohniye, keh doon tujhe

Glass bhi hai, paas bhi hai
Nasha bhi tu hai, mazaa bhi tu hai

Hosh udhe na kahin tera
Jaan teri le le na yeh nakhra mera
Haan meri nazar se bach ke guzar
Deewane sambhal ke tu chal na zara

My passion fashion makes
No world i know you wanna explore
Once you get it, take to me,
You want it more and more
Lovin me is dangerous,
Think twice before you start
Once you're in you can't turn back,
You're ready now lets go

Attrah baras ki baali umariya
Haan attrah baras ki baali umariya
Attrah baras mein nakhre hazaar
Attrah baras ki baali umariya

Attrah baras mein nakhre hazaar
Attrah baras ki baali umariya

Pyas bhi tu hai
Paas bhi tu hai
Aas bhi tu hai
Yeh meri aankhein hain yeh salaakhein
Na qaid kar le oo oo
Haan yeh adaayein yeh meri baahein
Na chain cheen le oo oo

Every moment you and me,
You wonder if its real
Coz i can mesmorize you,
Hypnotize you, make you feel ex

Daddy come night
You with pleasure and the pain
If you wanna

Attrah baras ki baali umariya
Attrah baras mein nakhre hazaar
Attrah baras ki baali umariya

O sohniye, keh doon tujhe
Ke tu hai pretty pretty pretty
Sar pe chada mere o jaan-e-jaan
Tera nasha nasha nasha tera nasha
Har ek adaa mein hai jadoo
Bara bara bara jadoo bara

Make that body bounce
Byt put the bomb on me and
Make that body bounce bounce

Kaise sambhaloon main yeh jawani
Mushkil badi hai oo oo
Ik pal mein kya ho, koi kahan ho
Masti chadi hai oo oo

This feeling and revealing
Takes me to another place
I loose myself and loving
Makes some thing i wanna place
I'm a sexy lady and
I know just kneel
Wanna get it right,
Get down tonight, you see i'm nasty

Attrah baras ki baali umariya
Haan attrah baras ki baali umariya
Attrah baras mein nakhre hazaar
Attrah baras ki baali umariya
Attrah baras mein nakhre hazaar
Attrah baras ki baali umariya.
