

Mere haath mein hai chuan mulayam
Tere hath ki aur main khush hoon
Mere khwab mein hissedariyan hai
Tere khwab ki aur main khush hoon

Dard ko chhod ke aa rahe hain
Hum khushi ke sheher ja rahe hain
Tez dhoop hai
Par kami nahi hai humko chaaon ki

Aur main, aur main khush hoon

Bas pyar se, chal jayega
Kharcha hamara, kharcha hamara
Jo bhi mile mil baant ke
Dono kar lenge guzaara

Ye nishaniyan
Hain nayi kahani ki suruvaat ki
Aur main khush hoon

Mere khwaab mein
Hissedariyan hai tere khwaab ki
Aur main, aur main khush hoon wo...
Aur main khush hoon

Suitcase mein humne hai bandha
Saaman kam, armaan zyada
Lambe safar ka hai iraada

Khane ke liye
Kaki rotian hai kuch kal raat ki
Aur main khush hoon

Mere khaab mein
Hissedariyan hain
Tere khaab ki
Aur main khush hoon

Dard ko chhod ke aa rahe hain
Hum khushi ke sheher ja rahe hain

Tez dhoop hai
Par kami nahi hai humko chaaon ki
Aur main, aur main khush hoon
Ho...aur main khush hoon wo..
