

Aurat ne janam diya mardo ko  
Mardo ne use bazar diya  
Jab ji chaha masla kuchla  
Jab ji chaha dutkar diya  
Aurat ne janam diya mardo ko  
Tulati hai kahi dinaro me  
Bikti hai kahi bazaro me  
Nangi nachavai jati hai  
Aiyasho ke darbaro me  
Ye vo bezzat chiz hai jo  
Bat jati hai izzatdaro me  
Aurat ne janam diya mardo ko

Mardo ke liye har zulm ravaan  
Aurat ke liye rona bhi khata  
Mardo ke liye lakho seje  
Aurat ke liye bas ek chita  
Mardo ke liye har aish ka haq  
Aurat ke liye jina bhi saza  
Aurat ne janam diya mardo ko  
Jin hotho ne inko pyar kiya  
Un hotho ka vyapar kiya  
Jis kokh me inka jism dhala  
Us kokh ka karobar kiya  
Jis tan se uge kopal ban kar  
Us tan ko zalil-o-khar kiya  
Aurat ne janam diya mardo ko

Mardo ne banayi jo rasme  
Unako haq ka farmaan kaha  
Aurat ke zindaa jalne ko  
Kurbani aur balidaan kaha  
Kismat ke badle roti di  
Usako bhi ehsaan kaha  
Aurat ne janam diya mardo ko  
Sansaar ki har ek besharmi  
Gurbat ki god me palti hai  
Chakalo me hi aa ke rukati hai  
Faako se jo raah nikalati hai  
Mardo ki havas hai jo aksar

Aurat ke paap me dhalti hai  
Aurat ne janam diya mardo ko

Aurat sansaar ki qismat hai  
Fir bhi taqdir ki hetii hai  
Avatar payambar janati hai  
Phir bhi shaitan ki beti hai  
Ye vo badaqismat maa hai jo  
Beto ki sez pe leti hai  
Aurat ne janam diya mardo ko  
Aurat ne janam diya mardo ko  
Mardo ne use bazar diya  
Jab ji chaha masla kuchla  
Jab ji chaha dutkar diya  
Aurat ne janam diya mardo ko.
