

Avenger Song Lyrics

Life meri hussle challenger aa main
Oh pyar sala dhokha ni avenger aa main
Rokna ae jinne aake hikk vich vajje
Na same side ni defender aa main

Ho main stream chalda rebel aa main
High bass low pitch travel aa main
Label aa main unstable aa main
Tap on back un abel aa main

Day night chalde jo thought meri think vich
Feed karan ink vich lokan muhre aaonde fer paap banke
Kayi puchde ne maithon success di philosphy
Main jithe ajj khada ayea aap bann ke
Kayi puchde ne maithon success di philosphy
Main jithe ajj khada ayea aap bann ke
Aap bann ke aap bann ke

Ho munda chadeya hai jinnu jinnu taap bann ke

Kal mera ajj da sawera tera hou
Vekhi tera yaar bodyguard mera hou
Oh dil vich dukh thoda thoda keran hou
Oh mainu top utte dekh akhan muhre hanera hou
Ho mera jadon tere shehar kadi tora fera hou
Meri finger vichale di te dil tera hou
Oh zehar jahi dhokhe di dawayi mil gayi
Sanu tere pyar ton rihayi mil gayi
Tere piche umar gawayi mil gayi
Lageya hou tenu tanhayi mil gayi
Sari dunia de dilan vich dhadke paya
Tuteya si wang da jo naap bann ke

Kayi puchde ne maithon success di philosphy

Main jithe ajj khada ayea aap bann ke
Sleepless night di oh labhde ne dose
Chadeya han jinnu jinnu taap bann ke

Oh bina gallon roz koi puada hoyi jaave
Industry nu kahton avain sarha hoyi jaave
Mull mera dooni da pahada hoyi jaave
Kehndi dunia kyun dino din maarha hoyi jaave
Ho marha jehra top utte tikeya pya
Te billo changa changa uddi janda bhaaf bannke
Kayi puchde ne maithon success di philosphy
Main jithe ajj khada ayea aap bann ke

Kayi puchde ne maithon success di philosphy
Main jithe ajj khada ayea aap bann ke
Sleepless night di oh labhde ne dose
Chadeya han jinnu jinnu taap bann ke
