

# Avoid Lyrics

---

Wangu pablo de notaan di aa duni seek ni  
Bohot hi charhe jinni aa sharab vich ni  
Paanp ainne ho gaye dhovanga taa ganga sukh ju  
Kalla kalla dassunga taan samaa mukk ju

Kaali gaddi ch ghumma main kala dil leke  
Kidna hundi aan salaaman vekhi kohl baike  
Jinne mere naal parhe aan saare fail ho gayein  
Jede mere naal ade aan saare dhere ho gayein

Te mai chhaal maar dawa bina parashoot toh  
Shala ohna diyaan jatt ne chakka ditiyaan

Yaari laayi maa layi naa tu avoid karde  
Ni mai changiyaan vi sangataan bigaad dittiyaan  
Yaari laayi maa layi naa tu avoid karde  
Ni mai changiyaan vi sangataan bigaad ditiyaa

Yaari laayi maa layi naa tu avoid karde  
Ni mai changiyaan vi sangataan bigaad ditiyaa

Ho pangey layi jaane jadonh tak fadeh ni jaande  
Raat paen naal-o pehlaan kade ghare ni jaande  
Jung pataniyaan ch challu jatt pirates ne  
Mittran de weapons v soulmates ne

Dittiyaan zubaan nu nibhaati jaane aa  
Jitthey pairr tikada tikaayi jaane aa  
Ainvein galli baati banne godfather ne jo  
Ni mai ohna diyaan ghodiyaan Ivaa dittiyaan

Yaari laayi maa layi naa tu avoid karde  
Bharatlyrics.com  
Ni mai changiyaan vi sangataan bigaad ditiyaa  
Yaari laayi maa layi naa tu avoid karde  
Ni mai changiyaan vi sangataan bigaad ditiyaa

Yaari laayi maa layi naa tu avoid karde  
Ni mai changiyaan vi sangataan bigaad ditiyaa

Ni mai changiyaan ch koi ek 2 kitiyaan  
Maadeyaan kammaan cho ek vi ni chhaddiyaan  
Dhann aa maappe jo jhalde rahe  
Dukhi reh ke vi jinna ne gharo kaddeyaa

Bunkk maar ke school-on mainu milan aunde  
Oppare naa jaane nikke veer aa aunde  
Te mai napp devaan vadhu karde jo chauth ne  
Oh kehra saale mere dinasaur ne

Daur jihna di laghi aa mainu hath paonn di  
Ni mai ohna diyaan khalliyaan pwa ditiyaan

Yaari laayi maa layi naa tu avoid karde  
Ni mai changiyaan vi sangataan bigaad ditiyaa  
Yaari laayi maa layi naa tu avoid karde  
Ni mai changiyaan vi sangataan bigaad ditiyaa

Yaari laayi maa layi naa tu avoid karde  
Ni mai changiyaan vi sangataan bigaad ditiyaa
