Avva neenu ombathu thinglu
Ottu ettu sakida deha
Bharatlyrics.com
Matte omme thayi garbha serakogide

Kaalugali taralo endu
Petegari hogida
Matte gudu sherugu munche
Rakke muridide

Avva neenu ombathu thinglu
Ottu ettu sakida deha
Matte bhumi tayi garbha sherakogide

Kaalu kaditalendu petegari hogida
Matte seruku munche
Rakke muridide

Uura uramaga keriyalli
Thannane malagi hoguvaga
Avvanige addadalitta
Tottila nenapayitu

Annanige kayuttidda
Thangi tali kempu avala
Akka saligana maneya
Jeetake tuttayitu

Buddayanu heli hoda
Sasubeya tandukodenda
Nove ninna maneyalaga
Save baralilva

Novigaligayako eno
Save baralilla
Save baralilla

Avva neenu ombathu thinglu
Ottu ettu sagida deha
