

Awaarapaan banjarapaan
Ek khala hai sine mein
Har dam har pal bechaini hai
Kaun bhala hai seene mein

Is dharti par jis pal suraj
Roz savere ugta hai
Is dharti par jis pal suraj
Roz savere ugta hai
Apne liye to thik usi pal
Roz dhala hai seene mein
Awaarapaan banjarapaan
Ek khala hai sine mein

Jaane yeh kaisi aag lagi hai
Is mein dhua na chingari
Jane yeh kaisi aag lagi hai
Is mein dhua na chingari
Ho na ho us par kahin koi
Khwaab jala hai seene mein
Awaarapaan banjarapaan
Ek khala hai sine mein

Jis raste par tapta suraj
Sari raat nahi dhalta
Jis raste par tapta suraj
Sari raat nahi dhalta

Ishq ki aise raha guzar ko
Hum ne chuna hai seene mein
Awaarapaan banjarapaan
Ek khala hai sine mein

Kahan kise ke liye hai mumkin
Sab ke liye ek sa hona
Kahan kise ke liye hai mumkin
Sab ke liye ek sa hona
Thoda sa dil mera bura hai
Thoda bhala hai seene mein
Awaarapaan banjarapaan
