

Jo bhi khwaab saare jee le tu meri jaan
Zindagi mein kuch banke dikha
Banke dikha, banke dikha

Jo bhi khwaab saare jee le tu meri jaan
Zindagi mein kuch banke dikha
Banke dikha, banke dikha

Listen! You can be whatever you want
As long as you don't hurt nobody in return
Always stay grounded and
Know where you came from
And then everything's bless
You've got nothing to be afraid of

This world takes more than it give ya!
Pointing your failures out like a splinter
Be strong when they all starts to hate ya
Live like a king and let everybody rinse ya

Don't be chasin' money or the cause
Whatever's in your kismat
Been written in the star
Rich or broke no matter what you are
As long as your imaan is alive in your heart

Be grateful for every little you get
Listen to your heart more times than your head
Don't be givin' up before you tried
Celebrate life and live before you die

Jo bhi khwaab saare jee le tu meri jaan
Zindagi mein kuch banke dikha
Banke dikha, banke dikha

Jo bhi khwaab saare jee le tu meri jaan
Zindagi mein kuch banke dikha
Banke dikha, banke dikha

When i was 17, i thought i had made it
Cause my songs hit the radio playlist

Back than started act to new famous
My future look bright but my ego came in

I became tazzz and tanveer just faded
I became ever so complacent
Five years i was livin' in regret
Then got the second chance
And thank the lord for it
Transform now the vision who cleared
Bharatlyrics.com
The man in the mirror got nothing to fear
I can take success in the air
When you feel that your
Hope is lost and reappears

Don't make the same mistakes i did
All river the strom i survived it
It all change when i heard the azaan
That's the reason why i named you ayaan

Jo bhi khwab saare jee le tu meri jaan
Zindagi mein kuch banke dikha,
Banke dikha, banke dikha

Jo bhi khwab saare jee le tu meri jaan
Zindagi mein kuch banke dikha,
Banke dikha, banke dikha.
