Nom mipa la ngo reyar duna

Jitni baari me sochaan
Kyun ye sawal he aaya
Kyu rahein meri yara tere ghar se judi
Mujhe khudsa kyu tune bnayaaa

Me tera jabse me tera huaa
Meri ratoon me bhi savera huaaa
Likhdi maine nazme toh kafi yahan
Kehdogi toh tumko sunadoon sabhi

Ayanam ayanam ngokke aaya runa ajen aken
Aaya na aaya naa mujhe chaain kahin bhi ab tere bin
Ayanam ayanam ngokke aaya runa aajen aaken
Khwabeeda rehne lagi teri yaadon main aab sara din

Ayanam ayanam ayanam ayanam
Ayanam ayanam ayanam ayanam
Ayanam ayanam ayanam ayanam
Ayanam ayanam ayanam ayanam

Mera tu hi thikana
Jab koi na tha tu tha sahara
Mujhe tumse hi hogaa ye pyaar
Huua jo fir dobaraa

Me teri me bhi han teri hui
Ye dil lagi mujhko bhi gehri hui
Aane se haan tere me poori hui
Jese mile hum aese na milta koi

Ayanam ayanam ngokke aaya runa ajen aken
Aaya na aaya naa mujhe chaain kahin bhi ab tere bin
Ayanam ayanam ngokke aaya runa aajen aaken

Khwabeeda rehne lagi teri yaadon main aab sara din

Ayanam ayanam ayanam ayanam

Ayanam ayanam ayanam ayanam

Ayanam ayanam ayanam ayanam

Ayanam ayanam ayanam ayanam
