

Aye chaman bata kyun hansta hai  
Aye chaman bata kyun hansta hai  
Sadiyan yunhi chhane wali hai  
Bewafa bahare naari hai  
Bewafa bahare naari hai  
Aur yeh bhi jaane waali hai

Kuchh mast hawae gher aayi  
Aanchal mein bhar ke raag ye  
Kuchh mast hawae gher aayi  
Aanchal mein bhar ke raag ye  
Lekin chhun kar dil se boli

Lekin chhun kar dil se boli  
Hum hosh udane wale hai

Iss lute huye paagal dil ka  
Saaman bacha kuchh to rooh mein  
Iss lute huye paagal dil ka  
Saaman bacha kuchh to rooh mein  
O duniya walo kuchh to haso  
Ye sab kuchh lutane wali hai

Tufaan na aae manzil mein  
Rushwa hoga sarminda dil  
Tufaan na aae manzil mein  
Rushwa hoga sarminda dil  
Hum mast deewano ki raahe  
Hum mast deewano ki raahe  
Ab khaak udane wali hai.
