

Aye chand mere dil ke aankho ke taare  
Tu kyun hai maddham maddham maddham,  
Maddham maddham maddham  
Nindiya ke badale aankho mein aansu  
Tujh ko sataaye kaisa gham  
Aye chand mere dil ke aankho ke taare  
Tu kyun hai..

Suna tera mukaddar hai  
Suna tera mukaddar hai  
Ja aasmaan pe tera ghar hai  
Tanhai teri humsafar hai  
Bas aakhari ye tera safar hai  
Gham se bhari mitti se dur  
Bharatlyrics.com  
Aahon bhari havaaon se dur  
Nafarat bhare sagar se dur  
Jo dil ko jalaa de us agni se dur,  
Us agni se dur, us agni se dur  
Kahane ko dur hai par lagta hai harapal  
Tu hai yahi hamadam, hamadam, hamadam  
Yaado me teri jee lenge bas hum  
Khushiyo mein hoga tera gham

Zulmon sitam ka hai jahan  
Zulmon sitam ka hai jahan  
Hai qaid mein us ki meri jaan  
Kyun bekhbar hai tu ae khuda  
Tujh ko mubarak tera aasmaan  
Bebas hu main kamjor nahi  
Koi nahi tanha sahi, tanha sahi  
Himmat ho to mushkil nahi  
Hai hausla agar to mazil dur nahi,  
Mazil dur nahi, mazil dur nahi  
Ummid ke sahaare koi kyun haare  
Chalte chalein tham tham,  
Tham tham, tham tham  
Tham tham, tham tham haradam  
Khud pe yakin hai to kya kami hai  
Do din ka hai mahemaan ye gham.
