

Aye chand mohabbat roti hai  
Aye chand mohabbat roti hai  
Ab chandani raato ko le ja  
Ab chandani raato ko le ja  
Aye chand mohabbat roti hai  
Aye chand mohabbat roti hai

Jo dil mein hamare basta hai  
Jo dil mein hamare basta hai  
Dil unko duaye deta hai  
Dil unko duaye deta hai  
Duniya ka bhala ho jisne hame  
Duniya ka bhala ho jisne hame  
Naushad kiya barbad kiya  
Aye chand mohabbat roti hai  
Aye chand mohabbat roti hai  
Ab chandani raato ko le ja  
Ab chandani raato ko le ja  
Aye chand mohabbat roti hai  
Aye chand mohabbat roti hai

Jab dil mein mohabbat basti thi  
Jab dil mein mohabbat basti thi  
Aankho mein tamanna hasti thi  
Aankho mein tamanna hasti thi  
Wo din guzre wo raat gayi  
Wo din guzre wo raat gayi  
Anzam hamara kya hoga  
Aye chand mohabbat roti hai  
Aye chand mohabbat roti hai  
Ab chandani raato ko leja  
Ab chandani raato ko leja  
Aye chand mohabbat roti hai

Ummido ne dum tod diya  
Ummido ne dum tod diya  
Takdir ne bhi muh mod liya  
Takdir ne bhi muh mod liya  
Ab jeena jeena kaun kare
