

Aye chand  
Aye chand na itrana  
Aye chand na itrana  
Aate hai mere sajan  
Aate hai mere sajan sajan  
Aate hai mere sajan  
Sajan mein itrana  
Aye chand na itrana

Tera gora badan  
Mere bhole sajan  
Sajan se na badi lagana  
Kaun sundal hai bol mere  
Pritam piya tu  
Hai hamko yahi aazmana  
Aye chand na itrana

Suno apni kahani meri jubani  
Apni kahani meri jubani  
Isko na tum bhul jana  
Jab ishwar ne dono ka karle wajan  
Jab ishwar ne dono ka karle wajan  
Do palde mein dono ko dala  
Ek palde mein  
Tu duje mein sajan  
Ek palde mein  
Tu duje mein sajan  
Taraju ko jyuhi uthaya  
Taraju ko jyuhi uthaya  
Jo halka tha wo uth gaya upar  
Jo halka tha wo uth gaya upar  
Jo bhari tha wo niche aaya

Ha jo bhari tha wo niche aaya  
Wo mera hai chand  
Tujhse sundar hai chand  
Wo mera hai chand
