

Aye darde mohabbat tune mujhe  
 Deewana bana kar chhod diya  
 Aye darde mohabbat tune mujhe  
 Deewana bana kar chhod diya  
 Ek aag laga di pahu mein  
 Aur dil ko jala kar chhod diya  
 Aye darde mohabbat tune mujhe  
 Deewana bana kar chhod diya  
 Ek aag laga di pahu mein  
 Aur dil ko jala kar chhod diya

Thukra ke khushi ko jana na kahi  
 Hai dil bhi yahi duniya bhi yahi  
 Thukra ke khushi ko jana na kahi  
 Hai dil bhi yahi duniya bhi yahi  
 Hai dil bhi yahi duniya bhi yahi  
 Ek tute hue dil mein zaalim  
 Kyu gham ko jaga kar chhod diya  
 Ek aag laga di pahu mein  
 Aur dil ko jala kar chhod diya

O mujhpe sitam karne wale  
 Ab tujhse ye aakar kaun kahe  
 Ab tujhse ye aakar kaun kahe  
 O mujhpe sitam karne wale  
 Ab tujhse ye aakar kaun kahe  
 Ab tujhse ye aakar kaun kahe  
 Is ghar me abhi aabad hai tu  
 Jis ghar ko basa kar chhod diya  
 Ek aag laga di pahu mein  
 Aur dil ko jala kar chhod diya

Ye gham na sahi wo gham hi sahi  
 Hum dono tarah barbad hue  
 Hum dono tarah barbad hue

 Ye gham na sahi wo gham hi sahi  
 Hum dono tarah barbad hue  
 Hum dono tarah barbad hue  
 Kuch dil ne na puchi bat apni

Kuch usne mita kar chhod diya  
Ek aag laga di pahlu mein  
Aur dil ko jala kar chhod diya  
Aye darde mohabbat tune mujhe  
Deewana bana kar chhod diya  
Ek aag laga di pahlu mein  
Aur dil ko jala kar chhod diya.
