

Aye dil aye nadaan  
Aye dil aye nadaan  
Laakh bahaarein aayi phir bhi nagari teri viraan  
Aye dil aye nadaan

Kitane hi khaab dekhe, taaron ki roshani mein  
Itane kareeb aaye chhoti se jindagi mein  
Kitane khayaal bunkar, ik jaal sa banaaya  
Bhule se koi panchhi lekin idhar na aaya  
Aye dil aye nadaan  
Laakh bahaarein aayi phir bhi nagari teri viraan  
Aye dil aye nadaan

Reh rehake ik tassvur tujhako sata raha hai  
Tu ghum ko kha raha hai, ghum tujhako kha raha hai  
Tu aap hi na jaane kisaki tujhe lagan hai  
Tu jisame jal raha hai woh kaun si agan hai  
Aye dil aye nadaan  
Laakh bahaarein aayi phir bhi nagari teri viraan  
Aye dil aye nadaan

Abb tak jo hai adhuri, tasbir kab banegi  
Mehbub kab milega, takdir kab banegi  
Maayusi ki badali ghir ghirake chha rahi hai

Ummid ik jhula phir bhi jhula rahi hai  
Aye dil aye nadaan  
Laakh bahaarein aayi phir bhi nagari teri viraan  
Aye dil aye nadaan, aye dil aye nadaan.
