

Aye dil meri jaan teri manzil hai kaha
Rah bar na rahi hai dur tak syahi hai
Raste sabhi hai anjane anjana har shama
Aye dil meri jaan teri manzil hai kaha

Raat din tujhe hai kiski justju
Dard ban gayi ye kiski aarju

Raat din tujhe hai kiski justju
Dard ban gayi ye kiski aarju
Arman hai kyo deewane
Koi inhe kaise jane tuhi apna rajar
Aye dil meri jaan teri manzil hai kaha

Dhul hai jami dhuaa hai aasman
Khauf ka agar irada hai jawaan
Dhul hai jami dhuaa hai aasman
Khauf ka agar irada hai jawaan
Aandhi ho ya ke tufan
Sam bhar ke sab hai mahman
Nahi rukte karva aye dil meri jaan
Teri manzil hai kaha.
