

Khaak jal kar hue
Pass jo khwaab the
Hai adhuri meri daastan
Mein parindo ke saang
Dundu chahat ke rang
Dard-o-ghum se bhara raasta

Aye khuda karu main kya bata
Aye khuda aaaa
Aye khuda karu mein kya baata
Aye khuda aaaa

Zindagi kya bataye
Kis traf leke jaaye
Zindagi kya bataye
Kis traf leke jaaye
Tute bekhre paatton mein
Doondta hoon mein saaye
Khushi na raaj aaye
Siddattein gum satayein
Pyaar ki shabnaam se tu abbar barshaa

Aye khuda karu mein kya baata
Aye khuda aaaa
Aye khuda karu mein kya baata
Aye khuda aaaa

Uddte is badal mein
Shaam ke aachal mein
Chand mein aakhen se tera hi mujhe kyun dikhta hai
Uddasi ka manzar
Labaz googne baankar

Jo kehna tha tujhse
Keh na saka

Aye khuda karu mein kya baata
Aye khuda aaaa
Aye khuda karu mein kya baata
Aye khuda aaaa
Aye khuda karu mein kya baata

Aye khuda aaaa
Aye khuda karu mein kya baata
Aye khuda aaaa.
