

Lets go
If you feeling me, make some noise
Ladies and gentleman raise your voice
Nan nan nana nana..
Naa nan nana nana..
If you feeling me, make some noise
Ladies and gentleman raise your voice
Nan nan nana nana..
Naa nan nana nana..
Let's go...

Tu hai meri soniye,
I'll be with you night and day,
Jab tujhe dekhe nazren,
Kismat konnection ho jaaye..
Everybody on the floor,
Make some noise, aa kar le shore
Deewanepan ka hai zor,
Common everybody now, sing it one time..chill
Aai pappi, aai pappi, aa aai pappi, aai pappi,
Aai pappi, aai pappi
Let me take you higher..
Aai pappi, aai pappi, aai pappi, aai pappi,
Aai pappi, aai pappi
Higher and higher..

Badli badli si raatein,
Sach ho gayi saari baatein,
Badli badli si raatein,
Sach ho gayi saari baatein,
Yeh khushiyon ki saugaten,
Jaise rab ki hai dua..
Everybody with me swing,
Let sebastian just nod away
Dil mein jo hai aa keh de,
Common everybody now,
Hit it like that. Chill

Aai pappi, aai pappi, aai pappi, aai pappi,
Aai pappi, aai pappi

Let me take you higher..
Aai pappi, aai pappi, aai pappi, aai pappi,
Aai pappi, aai pappi
Higher and higher..
Let's go

Jump down feel my floor
Baby take it easy, i m nice n slow
Wanna show you why we are to be two
And wanna make you part of all that i do
Cant do without you i testify
Need you in my life and i cant deny
Read it in the stars and stars don't lie
Without you girl my heart rather die
