

Aaaaooohhh...

Dekh mein bhi khadi yha par zaara  
Sun le tu meri..  
Rokungi rokey mujhy jo bhi yha  
Parkhey toh koi

Mein paalu jo chaun  
Mein kar saku jo tumny kiya  
Maano toh isko...

Mein chaun azaadi  
Mein hun tukarti tumsey  
Aazmaalo tum mujhko

Aye.. Aoooo  
Aye.. Aoooo

Bachpan se humein sikhaya jaata hai  
Bharatlyrics.com  
Ki ek aurat ka wajood kya hai  
Aur kya hona chaiye..  
Aur uspar jyaadatar,  
Koi sawwal nahin uthata!  
Mein nahin chahti ki koi aur mujhsey kahe  
Ki mein kya kr skti hu aur kya nahin  
Meri kaabiliyat mein khud sikhna chahti hun  
Ek majboot dimaag, shareer aur himaat  
Naseeb hai mujhe  
Mere bhi kuch khwaab aur armaan hai  
Mein iss jahaan mein  
Aadmi se uchi jagah nahin chahti  
Magar barabari jarur maagti hun

Jarur maagti hun ..

Kalyaani hann..  
Adhikaari hann.  
Rakshaani hann..  
Balishaali hann..

Kalyaani hann..  
Adhikaari hann..  
Rakshaani hann..  
Balishaali hann..

Na kaam hun  
Mein some hun  
Mein hu barabar ha..  
Tu puch toh mujhko

Na puche toh dekhu  
Mein apny mein hu raazi  
Roke jo mujhko

Aye.. Aooooohh  
Aye.. Aooooohh

Ayee..... Aooooohh  
Ayee..... Aooooohh..
