Beleye kodalaararu

Baa hosa belake
Aralalu moggondu sajjaagide
Ee danidiruva
Nayanake minchondu bekagide

Mouna onde maatu eega
Maaguturuva ee jeevake
Antyavendo kaanadindu
Saagturuva horaatake

Manju kavidanta daari
Yaanavu nintide
Naale ennuvudara mele
Nambike hogide

Ee danidiruva
Nayanake minchondu bekaagide
Baa hosabelake
Aralalue moggondu sajjaagide

Eru peru chooru chooru
Maadidantha aalochane
Reeti neeti kaanadene
Sotu ninta anveshane

Kaanada kai bandu
Nemmadi dochide
Aaradaa gaayavondu
Moodutaa kaadide

Baa hosa belake
Manasige muda neenu kodabekide
Ee payanadali
Naguvina nildaana sigabekide

Heluvudondu maaduvudondu
Etake heegeu lokavu indu
Saadhane haadi
