

Badal wo aaye aaey  
Garmi badhai haye  
Pani bhi laelaye uski marzi  
Rasta jo aaye aaey  
Wahi phir jae jaye  
Kahin mud jae jaye uski marzi  
Suno suno ye fasana socho  
Zara mere yaara

Pathar pooje bhi jaayen  
In rahon pe bhi wo mil jaayen  
Ye dhaga hai nazuk nazuk  
Bandhan phir bhi to bhandha jayen  
Khayalon se duniya chale  
Isharey samajh le ya zara  
Aa maney wo dil ki hain ja  
Kare phir  
Koi tera mera yahan kya

Saagar mein doobe nadi  
Juda hai naam rang wahi  
Phoolon se aye nahak  
Kabse unme hai pataa nahin  
Zameen par thahar jatein hain  
Kisee ke kadmon ke bhi nishan  
Nishan wo kabhi bhi nahin mitey  
Pade unpe saaya bhi kisi ka.
