

Baaje re payaliya tori  
Chham chann chhamchann chham  
Baaje re payaliya tori  
Chham chann chhamchann chham

Nache gagan dekho nache zameene  
Nache gagan dekho nache zameene  
Chhu ke jaise tere kadam  
Baaje re payaliya tori  
Chham chann chhamchann chham

Teri chhama chham chham mein  
Gham ho gaye hum  
Teri chhama chham chham mein  
Teri chhama chham chham mein  
Gham ho gaye hum  
Kho ke khudi apni tum ho gaye hum  
Tum ho gaye hum  
Baaje re payaliya tori  
Chham chann chhamchann chham  
Baaje re payaliya tori  
Chham chann chhamchann chham  
Baaje re baaje baaje  
Chham chann chhamchann chham

Sargham ke phoolo ka  
Ek gulsan khila de  
Sargham ke phoolo ka  
Sargham ke phoolo ka  
Ek gulsan khila de  
Chham chham ke mantar se  
Tu jadu jaga de  
Jadu tera kabhi na ho kam  
Baaje re payaliya tori  
Chham chann chhamchann chham  
Baaje re payaliya baaje re payaliya  
Baaje re payaliya tori  
Chham chann chhamchann chham.
