

Mohabbat ibadat hai noore khuda hai  
Meri dhadkano ne yeh mujhse kahaan hai  
Sohna yaar rab jaisa lage phir kyun na karoon ibadat  
Baar baar mann mera naam jape hai tera  
Baar baar karta hain ye sajda  
Baar baar mann mera naam jape hai tera  
Baar baar karta hain ye sajda

Jab se tu mila tab se silsila mera hai shuru  
Din mein raaton mein

Mann ki baaton mein tujhko dhundh loon  
Jab se tu mila tab se silsila mera hai shuru  
Din mein raaton mein  
Mann ki baaton mein tujhko dhundh loon  
Laga mujhse judaa dono sang hain sadaa

Tu dhadkan hain toh main hoon sansein teri  
Main chalna sakoon pal bhi tere bina  
Tu mujh mein basi aur main tujh mein basa  
Main hoon askh toh tu mera aaina

Mohabbat ibadat hai noore khuda hai  
Noore khuda hai  
Meri dhadkano ne yeh mujhse kahaan hai  
Sohna yaar rab jaisa lage phir kyun na karoon ibadat  
Baar baar mann mera naam jape hai tera  
Baar baar karta hain ye sajda.
