

Ghar mein bajati dhun ko sunkar chham se kudi baarish aayi  
Aur hai kohare ki woh chaadar khidakiyon pe khadi muskaayi  
Ghar mein bajati dhun ko sunkar chham se kudi baarish aayi  
Hai hawa ke sang udati kuchh phuhaare titaliyon si  
Aake baithi mere dar pe jaise woh kuchh kehane aayi

Ghar mein bajati dhun ko sunkar chham se kudi baarish aayi  
Aur hai kohare ki woh chaadar khidakiyon pe khadi muskaayi

Sard raaton mein thikak kar baithe baahar raaston par  
Sard raaton mein thikak kar baithe baahar raaston par  
Puchati hai aate jaate logo se yeh kuchh ghabraaye  
Baadalon mein kho chuki kuchh gaal par rakh kar hatheli  
Apani hi bundon ki ladiyon mein khadi hai woh akeli  
Bheega tan hai, nam hai aankhein phir bhi hasati khilkhilaake  
Mere ghar mein haste gaate jaise hai woh rehane aaye  
Hai hawa ke sang udati kuchh phuhaare titaliyon si  
Aake baithi mere dar pe jaise woh kuchh kehane aayi  
Ghar mein bajati dhun ko sunkar chham se kudi baarish aayi

Yaadon ki lekar khajaane, aayi sabko yeh manaane  
Pochati hai gile haathon se meri bheege sisaane  
Yaadon ki lekar khajaane, aayi sabko yeh manaane  
Pochati hai gile haathon se meri bheege sisaane  
Sabko bhulaake na jaane yeh jaaye kahaan  
Khojati hai sabaki aankhein, kaun aaya tha yahaan pe  
Sabka mann woh bharne aayi  
Aur hai kohare ki woh chaadar khidakiyon pe khadi muskaayi  
Aake baithi mere dar pe jaise woh kuchh kehane aayi.
