

Baarishein yun achanak huyi
To laga tum shaher mein ho
Raat bhar phir woh jab na ruki
To laga tum shahar mein ho

Kahin ik saaz hai goonji
Teri aawaaz hai goonji
Meri khamoshiyo ko ab karde bayaan

Tere bin bewajaah sab hai
Tu agar hai toh matlab hai
Nahi to tuta sa adhurasaa karwaan

Ik tera rasta ik mera raasta
Naiyyon rehna ve judaah
Naiyyon rehna ve judaah
Ik tera rasta ik mera raasta
Naiyyon rehna ve judaah
Naiyyon rehna ve judaah

Shaam phir khubsurat huyi
Toh laga tum shaher mein ho
Door hoke bhi nazaron se tum
Har lamha har peher mein ho

Sirf teri yaad saathi hai
Meri fariyaad baaki hai
Zism aur jaan ka mita de faasla

Mere khwabon mein jo rang
Woh khilte bas tere sang hai
Jud ke tujhse mukammal hogi dastaan

Ek tera rasta ek mera rasta
Naiyyon rehna ve judaah
Naiyyon rehna ve judaah
Ek tera rasta ek mera rasta
Naiyyon rehna ve judaah
Naiyyon rehna ve judaah

Baarishein yun achanak huyi
