

Baat hai ek bund si dil ke pyale me  
Baat hai,  
Baat hai ek bund si dil ke pyale me  
Aate aate hotho tak tufan  
Na ban jaye na ban jaye  
Baat kya tufa me jo jine ka saman  
Na ban jaye na ban jaye baat kya  
Arma wo kya dil ke liye baat kya

Raaz hai kya aisa dekho talo na  
Hum koi gair hai kya phir kah dalo na  
Hai dil ki wo lahar aisi chanchal  
Jo ise chheda kisi matwale ne jo ise  
Aate aate hotho tak tufan

Na ban jaye na ban jaye  
Na ban jaye na ban jaye baat kya  
Arma wo kya dil ke liye baat kya

Meri aankhe padi kuch likha hoga  
Dhadkan sunte ho dil sunta hoga  
Waise to hai mere dil me bhi halchal  
Phir bhi halchal wo kya dil ke liye  
Phir bhi  
Tufa me jo jine ka saman  
Na ban jaye na ban jaye na ban jaye  
Baat hai ek bund si dil ke pyale me  
Baat hai,

Tum kaha mai kaha, hum tum sang sang hai  
Dharti aur ambar dono ek rang hai  
Tum ho mere kah do jo ye arma sun liya  
Jo chhupke kisi duniya wale ne sun liya  
Aate aate hotho tak tufan  
Na ban jaye na ban jaye  
Na ban jaye na ban jaye baat kya  
Arma wo kya dil ke liye baat kya  
Baat hai ek bund si dil ke pyale me  
Baat hai, jo baat hai.
