

Baat kya hai baat kya hai  
Baat kya hai baat kya hai  
Baat kya hai baat kya hai  
Baat kya hai baat kya hai  
Kyon zindagi ka  
Haal muhaal hua hai

Baat kya hai baat kya hai  
Baat kya hai baat kya hai  
Seene pe jaise bojh  
Yeh saal hua hai  
Chaar diwaari mein  
Kyun saansein  
Umra guzaar rahi hain  
Lagta hai jaise koi  
Karz utaar rahi hain

O dheere dheere  
Katti yeh saza hai  
Jaane kaisi rab ki  
Yeh raza hai  
Sab kuchh hai magar  
Kuchh toh kami hai  
Jeena aise jeena  
Bemaza hai ho wo

Deemak laga har  
Khushi mein  
Lagti hai sabhi  
Kaagazi kaagazi o  
Saans ki garam  
Chakariyan kyun  
Phoonkane lagi  
Aag si aag si o  
Hasti meri simti  
Si hai pisi  
Sapne mere hain  
Daftar ki arzi mein

Dheere dheere
