

Dil mein jo udti phirti teri baatein ho  
Keh do jo kuchh bhi na woh kehti baatein ho  
Kuchh bhi na matlab ho ab aisi baatein ho  
Khud ko bhi sunn ke hass de waisi baatein ho  
Jaane do socho na kya bolun  
Chalo ho jaane do baatein shuru

Ginn lo jo aasman mein kitne taare hain  
Likh doon kuch ulta pulta uske baare mein  
Tum bhi do sach keh do na apne baare mein  
Main bhi kuch jhootha keh loon apne baare mein  
Jaane do socho na kya bolun  
Chalo ho jaane do baatein shuru  
Ho na ho jo bhi hai woh hona-vona

Socho na itna usko honay do na hai na  
Kehna hai jo bhi tum ko kehna vehna  
Keh do haan keh do...

Choti si zindagi hai choti si baat kar lena  
Bolo na bolo kuch bhi na  
Halki si phulki si ya gehri si baat kar lena  
Bolo na bolo kuch bhi na...

Dil mein jo udti phirti teri baatein ho  
Keh do jo kuchh bhi na woh kehti baatein ho  
Kuchh bhi na matlab ho ab aisi baatein ho  
Khud ko bhi sunn ke hass de waisi baatein ho  
Jaane do socho na kya bolun  
Chalo ho jaane do baatein shuru baatein shuru
