

Ae mere johnnie walker
Jaata hai tu kidhar
Aaja idhar idhar pyala hata le

Daaru bitter bitter
Main hoon sweeter sweeter
Aisi hot figure mujhko pata le

Angrej chale gaye
Sarkaar gir gayi
Mujhko na koyi chhu saka

Main babli babli babli babli
Babli babli bindaas
Babli babli babli babli
Babli babli bindaas
Babli babli babli babli
Babli babli bindaas
Babli babli babli babli
Babli jhakaas

Dekh dekh zara dekh nikhattu
Kar liya hai tere naam ka tattoo
All night teri side rahoongi
Keh de, keh de mujhe keh de statue

Statue!
Statue statue statue statue
Statue statue statue chal hat

Angdayi toot gayi
Nindiya bhi lutt gayi
Mujhko na koyi chhu saka
Main!

Babli babli babli babli
Babli babli bindaas
