

Here we go here we go
Here we go
Suno tina meena leena seema
Sab to chaliya party
Sonu monu buntty ne
Ta kar li rent ferrari
Are lipstick powder
Lambi heel te d and g di mari
Club me jaane se pehle to
Whisky mukh dai saari
Chal bar pe pee le ye ye
Taquila lagai le ye ye
Aaj nain nashile ye ye
Aaj raat ko jee le ye ye

Now wait a minute
And stop you fooling
Step up in your place n
You let hold grooving
Dekh li item you're pursuing
Jaake keh de tu hi you're doing

Aaj puri botal laavange
Aaj to babloo happy hai
Aaj dj bhi bajavange
Are aaj to babloo happy hai
Tunn hoke laatt hilavange
Aaj to babloo happy hai
Kal hone wali shaadi hai
Are aaj to babloo happy hai

Closer to you
Is where i wanna be
Tonight be tonight
Give me o you get
Let me feel the love inside
Yeah yeah yeah

Closer better longer stronger
You touch me i feel

BHARAT
lyrics

Like screaming all over
Its one night its one way
You give it i love it
I am swelling you baby
You make me get
Down down down

Are iski lag gayi uski lag gayi
Sabki lagne wali hai
Khul ke talli ho betaa
Kal bhabhi aane wali hai
Bua didi chachi maami
Khub sataane wali hai
Barfi laddu kha kha ke
Teri band to bajne wali hai
Chal chhod bhula de ye ye
Aaj hall hila de ye ye
Chal dhoom macha de ye ye
Thodi or pila de ye ye

Over till the bottles over
See you next time
When you feeling sober
