

Baby Song Lyrics

Looking at you now
Can't believe it somehow
I'll hold you so tight
Stay with me all night

Nila enakkena oligirathe
Oru kaana nijamai varugirathe
Mudivilla indha kaadhal neezhgirathe
Uyir ellam ur peyarai ketkirathe

Ini pesathe mozhigal adhu podhathe
Vazhigal adhu maarathe
Enadhiyure ini inithe

Enai neengathe mayakkam idhu theerathe
Thodakkam idhu mudiyathe
Enadhuyire ini unadhe

Because baby you're mine
Now and for all time
Just put your hand in mine
You and me we fine

Because baby you're mine
Now and for all time
Just put your hand in mine
You and me we fine

Enna aru nalathinaal
Inaiyal nindrozhi
Kannodu kan inai kavvi

Ondrai ondru
Unnavum nizhai peradhu
Unarvum ondrida
Annanum nookkinal
Avalum nookkinal

Ini pesathe mozhigal adhu podhathe
Vazhigal adhu maarathe
Enadhiyure ini inithe

Enai neengathe mayakkam idhu theerathe
Thodakkam idhu mudiyathe
