

Baby Do Die Do (Title Track) Lyrics

Yatri kripya dhyaan dein
We got our own hit woman
Bharatlyrics.com
Is safar mein thoda savdhaani bartein

Uh huh chal
Agla station decimation bandi full fire
Na sunegi na bolegi khooni on hire
Thoda jigra vigra vagera vagera rakh side

Kabhi lage uspe dikha ek smile
Bhaari kadam hain voh pehne yeh jo payal
Gali gali chali dekho full style
Chhaata liye baby calling death on speed dial

Kaali hai yeh raatein
Revenge se hi jale yeh aag
Contract mulaqaatein
Mascara nahin khoon hai yeh daag

lyrics

Baarood hi daaru hai license to kill
Kheenche jaegi tujhe yeh direct to hell

Do
Yeh toh kar ke rahegi
Die
Mar mar ke karegi
Do
Aur phir se karegi
Say my name

Do
Yeh toh kar ke rahegi
Die
Mar mar ke karegi
Do
Aur phir se karegi

Kar mar kar

Chhan chhan chhan chhan payaliya payaliya!
Run run there's a gun shooting up your chandelier
Na hai fear standing here shooting saiyaan

Very near
Bijliyaan in the sky
Naam jo liya do die do
Karegi voh dhoom bhai dhoom

No rescue
Jahan bhi chhupega buddy she finds you
Laal chhaata aimed at you
Kya karega tu?

I'mma never let you holler at me ceasefire
Got a sighting gonna come right at you ceasefire
Gotta give it a give it a gun with a peace sign
You're fine i'm fine we're fine

Baby do baby die
And then do one more time
Baby do baby die
And then do one more time

Do
Yeh toh kar ke rahegi
Die
Mar mar ke karegi
Do
Aur phir se karegi
Say my name

Do
Yeh toh kar ke rahegi
Die
Mar mar ke karegi
Do
Aur phir se karegi
Kar mar kar
